Certification of Confidential Business information

Documents (and information therein) submitted to YRCAA are public records as defined by RCW 42.56 and must be made available to the public on request, unless exempt. RCW 70A.15.2510 provides for a limited exemption and requires that, in order for records or information relating to unique processes or production furnished to YRCAA to be exempt from public inspection, an owner or operator must certify that the release of the information would adversely affect the owner or operator's competitive position.

By my signature below, I certify that I am the owner or operator of the business named below and that the records or other information I have furnished to YRCAA relates to processes or production unique to my business or is likely to affect adversely the competitive position of my business if released to the public or to a competitor.
