This Notification is for processes, equipment and apparatus for which a Notice of Construction Approval has been issued. At any time within the duration of that approval, equipment or apparatus may be relocated and operated at a site other than the site at which it was located at time of approval, provided, the owner or operator notifies YRCAA in writing at least 30 days prior to each relocation. Approval to operate at the new site may be subject to conditions in addition to, or in place of, the original conditions of approval.

For YRCAA staff review only:
