Join an agency dedicated to ensuring clean air for Yakima County! If you are detail-oriented, even-tempered, able to juggle multiple tasks and handle complaints, enjoy resolving problems and engaging people one-on-one, are able to read and apply statutes and regulations, and have an interest in public service, the Yakima Regional Clean Air Agency (YRCAA) may be looking for you. The Agency is currently searching for a **full-time Compliance & Monitoring Supervisor**. See the job description for required qualifications, duties, and other information. Employees receive an excellent benefits package including medical, dental, and vision coverage and participation in the Public Employees' Retirement System. See employee benefits for additional details. Annual wage is \$63,330 to \$86,880 depending on the extent of the qualifications possessed. The YRCAA is an equal opportunity employer. Send or drop off an application, resume, **and** cover letter (the latter should briefly describe how you meet the required qualifications and any preferred qualifications you possess) to Yakima Regional Clean Air Agency; Human Resources; 186 Iron Horse Ct. Ste. 101; Yakima, WA 98901-1468 or admin@yrcaa.org. The position will remain open until filled.
