

Community Air Quality Forum Agenda
Monday December 14, 2020

Meeting Time: 1:00 to 3:00 P.M.

Meeting Location: Due to Covid-19 The Community Forum will be held via Tel-conference

Public members wishing to participate in the Community Forum must dial 1 (805) 309-2350, or toll free 1 (800) 309-2350, and then enter the Conference ID of 1862019 followed by the pound (#) sign

I. Introductions

II. Topics:

- Why is air quality worse in Sunnyside than it is in Yakima?
- What is the YRCAA doing to address the high levels of PM 2.5?
- Has the YRCAA talked with anyone from public health to share the data and learn the impact on people with respiratory and heart disease?
- What has the YRCAA done to help people with respiratory and heart disease during episodes of poor air quality, especially in the Lower Yakima Valley?
- Is there current data gathering to determine the impact of ammonia and ammonium nitrate on high PM 2.5 levels in the LYV?

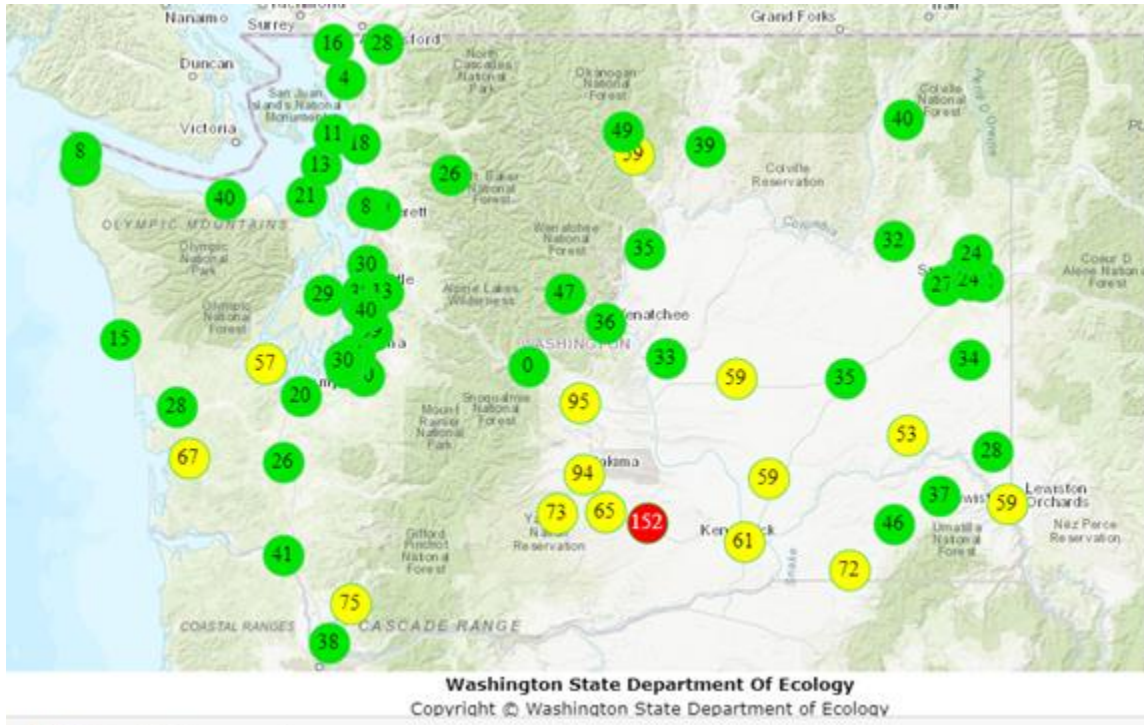

III. Discussion

IV. Close Forum

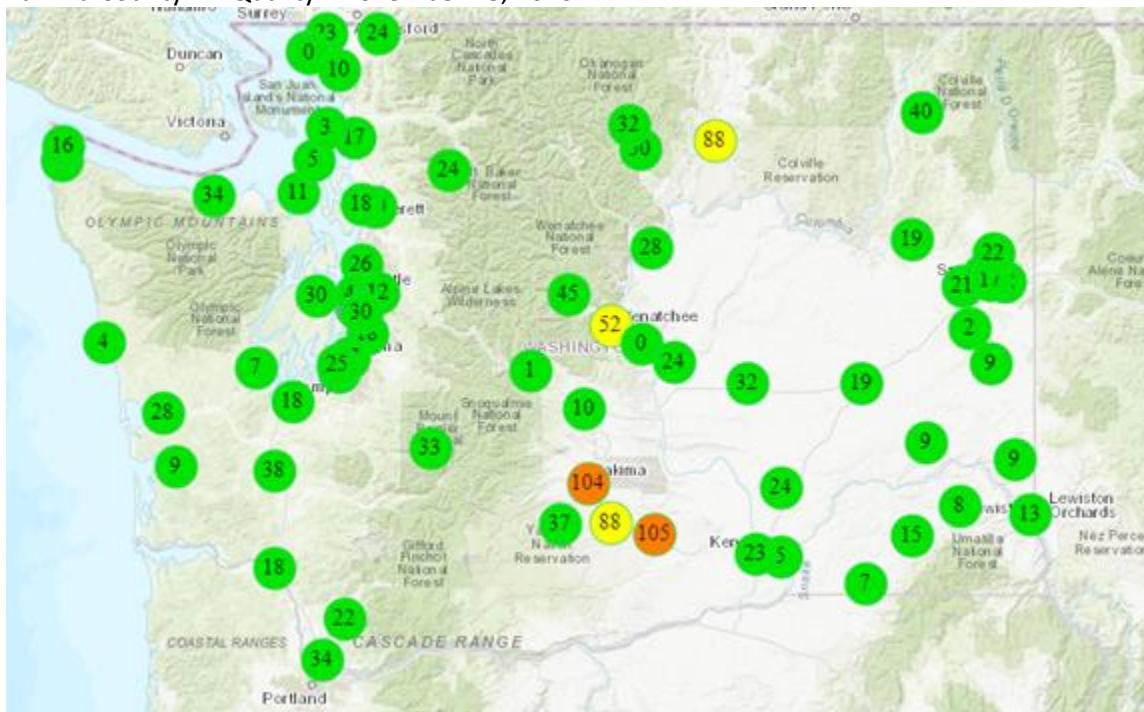

The next Community Air Quality Forum is scheduled for Monday, March 15, 2021
